Got the date of October 25 on your calendar? That is our Universal Craftsmen Council of Engineers monthly meeting. We will have the usual potluck before we plan to stick around for some cider and donuts for the meeting. How's the membership recruitment coming? Don't forget—your goal is each member is to strive to come up with a qualification application before the end of the

calendar year. Another goal is for every member who usually attends our meeting is to reach out to another member who either occasionally comes or one that may have not attended a meeting in the past year or more.

Give some thought to a production of "The Blacksmith Drama" know most of us have a problem now but this could really be a PR item for us. As you old time brothers recall November corresponds to the Hebrew month B'tsevat that the Temple was completed.

You have some things to think about and don't forget—we're always looking for ways to stimulate our meetings. Got an idea—give me a call anytime or email me with

Bro. Bill Howard will be bringing the meat Wednesday night. The Grand Worthy Chief, Ken Lasswell, and Grand Officers Jeff Lasswell, DDGWC, and Al Berry, Grand Secretary, attended Ken's Official Visit to Minnesota #79 on October 14.

LADIES COUNCIL PEORIA #35

We welcome **Noreen Leao** to our Council #35. She joined us when we were in Minnesota for the Official Visit. Juanita Lasswell and I accompanied our husbands and enjoyed a brunch with the Minnesota ladies who belong to Council #35 and other ladies who have husbands that belong to the Minnesota Council #79. It was nice to visit with them all.

Don't forget that we will have our November meeting a week early due to Thanksgiving, so mark your calendars for November 15.

Our **Christmas party** is set for December 3, the first Sunday, at 2:00 p.m. at the Golden Corral in Washington. If you want to participate in the gift exchange, be looking for a gift to share with one of your sisters in

Council. The men are to do the same thing.

Sister Betty Korstad was with us at the meeting. She has to have more treatments but looks wonderful now. Bless all our members, we miss those who cannot attend.
