• Happy Valentine's Day to you all. As you know the groundhog saw his shadow so there will be another 6 weeks of winter. Do you believe that?

Grandview Lodge, Peoria Heights, IL
Potluck—6:30 p.m. Meeting—7:30 p.m.
February 22, 2006

• Brother Bob Cook, our Secretary, says that he still needs dues money from some of our members. Please help him get the books all in order for the closing of 2005.

• Bro. Bill Howard is bringing the meat dish for the potluck. It is not known at this writing what it will be.

• Grand Worthy Chief Jerry Carrell is soliciting for ads for the program book for the Grand

Convention in August.

• Donations for the Scholarship Fund for Grand Council are greatly needed if we want to have scholarships available in August. Every little bit helps. Scholarships are one of the basics of our organization.

• See you Wednesday.

Fraternally,

Arlo Sloan

Worthy Chief

LADIES COUNCIL PEORIA #35

Grand Worthy President, Else Carrell, missed our last meeting as she was not feeling well.

Hello to our Minnesota members, hope

you are keeping warm up there. Also, we want to say Hello to our members who are not able to come to our meetings, and to Beulah Harnung who is a long-time member

of ours. Beulah, we sure miss you. Mary Bulen was at our last meeting, she had missed several months.
