Eric Johnson

Worthy Chief

• We're off and running on another year for the Peoria Council #35 and looking forward to 102nd Annual Convention in Springfield. In preparation for the upcoming Convention our Council voted **not** to schedule

our regularly monthly meeting in July and our next Council meeting will be on August 23.

• As a new Worthy Chief I have more questions than answers at this time. However, some challenges for our Council would include increasing our active membership, reestablish a drama team to produce the "Drama of the Blacksmith" and through committees plan and carry out activities that will be of interest to our members and enhance the goals of our fratern-

nity. I will be calling on all of you to contribute and we all know there is a wealth of resources within our Council membership list.

• There will be more information and plan on more questions in the next newsletter as we prepare for the August 23rd meeting.

Fraternally,

Eric Johnson

LADIES COUNCIL PEORIA #35

There is much hustle and bustle at our house getting ready for the 102nd Annual Convention for the UCC of E. We are still putting things together as there are always last minute things to do.

I just talked to Jerry Korstad, who says that Betty is doing better but has a long way to go. She has to have more treatments for a couple of other problems. Please keep both Betty and Jerry in your prayers

as Jerry has had a large load to carry.

Here's hoping that everyone else is o.k.
