Worthy Chief

Greetings all. I don't know about you but I am ready for more sun and warmer weather. But for now—guess I'll take what comes.

We're nearing the end of this year for our fraternity. We desperately

need new members—not one or two but five or six would be a very conservative number to start. We all know that we all have to become salesmen and this could happen. I've heard salesmen say that you might have to make ten contacts to make one sale. If you were asked, "Have you reached out to recruit a new member"—could you reply in the affirmative? You can try it on your WC and I can assure you that he is going to try it on you. (All to be taken lightly—but an effort

to get things rolling.)

Check your calendar and I'll see you at the pot luck Wednesday.

P.S. the reason the newsletter is not reaching you sooner is no other than the fault of your WC. No excuses—just hope to see you Wednesday.

Fraternally,

Eric Johnson

Worthy Chief

LADIES COUNCIL PEORIA #35

Greetings to you all !!

For an update on Sister Betty Korstad, she is doing better but has to start her third round of chemo shortly.

Our 11 inches of snow is melting and

we only have a few patches left, now we have mud everywhere. Anyway, the groundhog did see his shadow here, even though the official "Phil" didn't see his.

Wish you all were

going to be at the meeting Wednesday. Those of us there would like company.
