Greetings to you all !!

Spring is a welcomed sight.

Besides the Ohio Board of Governors meeting we are having our Official Visit from Cindy on April 25th. We certainly

hope everyone can come to this event and make her welcome. Ellen Brown has been having eye problems but we hope she is better. We hope to see the familiar faces of our group on Wednesday so we can

plan for the Official Visit next month.

God Bless you all, we miss those who cannot be with us.
