Eric Johnson  
Worthy Chief

Greetings all. This is probably the last "Greetings" you will receive from me for a spell as we look forward to a new UCC of E year and new alignment of officers. I have had the pleasure of working with our Assistant Chief Geoffrey Lasswell over the years

and we all know our fraternity is in good hands with him at the helm.

As a parting comment I would maintain that our fraternity, above all others, has the potential to grow and gain membership far exceeding the others. This is because we incorporate all the facets of Masonry and add that aspect of our work interest. If anything, those of us who are retired have let that facet slip a little—our past work experience helped mold us into the Masons we are. Incorporate this aspect along with our morals, values, beliefs and goals and you have a winning strategy for growth and

further personal satisfaction.

Finally, how could any of us conclude this year without again, commending GWC Ken for his determination and perseverance in following through on what others started and pursued over the years—that of gaining Grand Lodge recognition.

Fraternally,

*Eric Johnson*

Worthy Chief

## LADIES COUNCIL PEORIA #35

Greetings to you all !!

Sister Ellen Brown, our Secretary, has had eye surgery. Please keep her in your prayers so she will be able to attend the meetings again.

Anyone wanting to

help stuff bags for the Convention, come to the meeting!! GWC Ken and Juanita have just returned from their Official Visit to Halifax, Nova Scotia. GWP Cindy Stewart also attended. Wonderful people and

wonderful food.

God Bless those of you in ill health. We would wish you well and miss you.
