Directions to Alta Lodge: Go North on Allen Road over Highway "6" and as Allen Road continues straight north at an intersection on the curve—continue on Alta Ln. that curves to the left (looks like a highway) and at first intersection, as you draw along side a plastic industry, take a right on "Atlantic" and Alta Lodge is a large white Lodge building on your right.

OR: North on Knoxville, over Highway "6" to second traffic light, turn left onto Alta Road and take it past the 4-way stop at Allen Road and continue about one block when you have another Stop at the end of Alta Road. Turn left and Alta Lodge is on your left.

I hope that you passed through these holidays: Groundhog Day, Lincoln's Birthday, Valentine's Day, and Washington's Birthday with enthusiasm and did something special on at least one of them.

My son is planning to go to a college in Phoenix, Arizona, in the fall to broaden his computer skills. We're traveling there to check it out this month, and also plan to enjoy the warmer temperatures. I plan to be

Greetings,

As they always say, "If you don't like the weather right now, just wait a couple of days and it will change." That seems to be the way things are going around here. Weird weather!!!

More recipes are coming in from the ladies. I'm hoping to have lots

back for our stated meeting.

FYI: Neptune Council #71 in Nova Scotia, Canada, has announced that at their march meeting they will be having a pot luck supper, followed by their men's council officially receiving their DDGWC, Bro. Charles Wright and putting on the Blacksmith Degree for their Ladies Council to see it.

Out future depends on new membership.

In closing, I hope you and your family had a great month.

Due to a conflict in scheduling at Grandview Lodge, we will have our February 27th meeting at Alta Lodge for just this one time. We will have our potluck as usual with Bro. Bob Cook bringing fried chicken. Directions appear elsewhere in this newsletter.

It's time for us all to think about items for the Share Booth at Convention. I know there are

some really creative ladies in our group.

Hope to see as many as can come on Wednesday, February 27th.
