Masonic Humor

A Doctor and Plumber are in the same Lodge. On Sunday Morning the Doctor wakes up to find his toilet blocked. So he rings the Plumber, "But I don't like working on Sundays! Can't it wait until tomorrow?" The Doctor said, "I don't like working Sundays either but if you were in trouble, and felt unwell, Brother I would come around to see you." "OK" says the Plumber and goes around to the Doctor, goes upstairs and looks at the toilet, takes two aspirins from his pocket and throws down the bowl. "There" he says, If it's not better tomorrow give me a ring and I will call around.

Ladies Council, #35

Greetings,

Just a note to say that Betty Korstad is undergoing Kemo again. Please keep her in your prayers. Ken & Juanita have just gotten back from their Hawaii trip so we can see pictures of that.

I have received more recipes but certainly need more of them so our cook-

book won't be too skinny. I know recipes are floating around out there and should be in a cookbook.

I wish to thank those of you who sent me condolences on the death of my Mother. They were greatly appreciated.

Please keep the Share Booth in mind for the Convention in Canada.

The Ladies Council relies a great deal on the proceeds from the sale of items you ladies make and contribute to the booth. If you can't go, give your things to someone who is.

See you Wednesday.
