As I write this, it is Columbus Day. Fall has definitely arrived (look at the leaves) and the farm harvest is in full swing. And despite the national/worldwide financial crisis, we have much for which to be thankful. The harvest looks plentiful and the weather seems to be cooperating with the farmers. While traveling this past weekend (Grand Lodge and a trip to Decatur on Sunday) I actually was able to buy fuel for \$2.98 per gallon. It has been a long time since that number appeared at the pumps.

The National Elections are coming up November 4th. Be sure to exercise your right to vote. It's going to be an interesting time ahead. I will not miss the ever present TV ads. With the news personalities dissecting every word and move the candidates make, you would come to the conclusion that we cannot think for ourselves.

Our next meeting will be Wednesday, October 22, 2008—6:30 PM meal starts.

PEORIA #35 LADIES UCCE NEWS

Greetings to All!

The Steam Show we have been working on for months is over and we won't have to think about it for maybe 4 months. Now we are preparing for the Pike County Color Drive this weekend. I have been printing many books to sell there.

Al and I attended the Minnesota #79 meeting last weekend and I enjoyed visiting with other

members of Council #35, Judy Bramblett, Noreen Laeo, Edyth Briggs and Darlene Pikal. We went to a church rummage sale and had lunch together. It was a nice evening and day.

I found a neat jar with the following label on it.

*The Jar of Nothing
Did you say "Nothing"? when you
were asked what you wanted for
your birthday, anniversary, or*

Hope you can be there.

Best regards,

Richard L. Carman
Worthy Chief

*Richard will be bringing the
meat on Wednesday.*

*Christmas, don't you remember
saying, "Nothing"?*

*Well this time someone heard
you, searched high and low and
found just what you asked for!*

Yes, it was a Jar of Nothing.

Let's keep each other in our thoughts and prayers. Things happen that we don't know about.
